02

Go-to-Market Strategy: Planning and executing strategies to successfully launch products or services into the market.

03

Acceleration Phase: Supporting startups to accelerate growth, optimize operations, and achieve scalability.

04

Investor Readiness: Preparing startups to attract investment by developing robust business models, financial models, and business plans.

05

Technology Product Development: Offering services to develop technology products, including apps and other digital solutions.

06

Support Services: Including strategy development, business model refinement, financial modelling, and comprehensive business plans.

07

Brand Development and Communication: Helping startups to build and communicate their brand effectively to their target audience.

08

Legal and Compliance: Ensuring startups adhere to legal requirements and compliance standards.

09

Digital Services: Providing digital transformation services to enhance operational efficiency and market presence.

10

Design and facilitate Strategic Alliances and onboarding cofounders.

What our Startups have to say

"I came from Mumbai and undertook the mentorship at TEZ. It gave me an insight on how to create a business in fashion-tech and also a great network to do business"

Kenisha Sabnani
Founder & CEO

"TEZ (now TEZolutions) helped me to get into the Startup ecosystem and mentored me with the right models and strategies thus enabling me to get funded"

M. Vamshi Krishna
Founder & CEO

"I started my home & mobile dental services during covid and TEZ helped me to reach the target market with the right strategies. Post covid our business has just grown seamlessly"

Dr. Prasanna Laxmi Kinnera
Founder - Wingdent

"I am being mentored at TEZolutions. The inputs have helped me validate my idea and put the right model around it. With the strategies being suggested I hope to hit the market soon"

Mr Mahesh Annam
Founder & CEO
